

PLEASE leave the wisconsin no-call list as it is! I still receive calls even though I registered our number on the no-call list. Now, the calls come through as "private caller" so I don't know if it is a telemarketer or one of the few people that call me that have their number blocked on caller ID. (I deal with Milwaukee County departments and they call back as Private caller) Before, telemarketers were listed as "out of area" and I knew to ignore those calls. I understand that changes to the Wisconsin no-call list are being pushed by banking associations....IF I WANT TO DEAL WITH A BANK I WILL CALL THEM!!!!!! Thank you.
